ABOUT FOREST BRIGHT

Forest Bright Wood Industry Co., Ltd. is one of China's leading manufacturers of premium quality architectural wooden doors. Forest Bright offers a blended product portfolio that delivers interior door products to suit a wide range of specifications.

We widely cooperate with prestigious international hotels and real estate brands in the USA, Europe, and the Middle East. Meanwhile, we closely work with China leading commercial hardware manufacturers to develop a packaged solution of doors and hardware and provide a one-stop purchasing service for our clients.

Forest Bright persistently invests in the production line and quality management, from raw material procurement to packaging, all strictly sticking to international standards.

- All our wood doors meet or exceed WDMA or AWI architectural flush wood door and stile & rail wood door standards.
- Our fire-rated wooden door passed 20 minutes, 45 minutes, 60 minutes, and 90 minutes positive pressure test, meet USA NFPA 252 (2012); UBC 7-2; UL 10C standard.

Sustainable development is our operation purpose. What we love is the beauty of wood; we also treasure our environment. Our cores, stiles, rails, crossbands, laminates, and veneers are available in FSC® certified options. We used water-based paint and no-added-urea-formaldehyde adhesives in keeping with our policy of protecting the environment.

Broad market prospects have resulted from the rapid development of the China building industry and China's enhanced international trade relations. We are optimistic about our ability to win more and more domestic and international cooperation in the future.
